

FOUNTAINS

New 3/4HP J Series with Linden Nozzle

Visual Appeal Meets Performance

Enhance the aesthetics and improve the health of your body of water with Kasco Fountains. All fountains are engineered to deliver reliable and efficient performance, and even feature marine-grade stainless steel components for protection in harsh environments. Explore the multiple pattern options in our J Series line, the versatility of the xStream Series, and aerating power of the VFX fountain. Whatever your needs may be, Kasco has the right fountain for you.

J-SERIES DECORATIVE FOUNTAIN

Kasco J Series fountains are the perfect focal point in any pond or lake. From the 30 ft. high attention-demanding Redwood patterns, to the more elegant, 2-tired Linden patterns, each nozzle offers its own visual appeal. Designed with both beauty and function in mind, these fountains will improve overall water quality by increasing oxygen transfer. The J Series fountains come complete with control panel with 5ma GFI protection, mooring lines, and interchangeable spray patterns - all included in the fountain price! The 3/4HP and 1HP units include 5 nozzle patterns, the 2HP and 3HP units include 6 nozzle patterns, and 5HP unit includes 7 patterns, while the 7.5HP unit includes 3 patterns.

- Available as 3/4, 1, 2, 3, 5 and 7.5HP units
- 3/4HP and 1HP units redesigned for increased pattern heights and widths without increasing amp draw
- Offered in 60Hz and 50Hz, 120V and 208-240V, and single and 3 phase power configurations
- Cord lengths available up to 200 ft. on 120V units, up to 500 ft. on 208-240V units*
- Complete packages are ETL approved to UL and CSA standards
- 2 year warranty on 3/4HP and 1HP units, 3 year warranty on 2HP and larger units

3/4HP & 1HP
Redesigned for increased efficiency & performance.

† Plus or minus 10% depending on nozzle used. ‡ Special Order Nozzle

xSTREAM FOUNTAIN

The xStream fountain is a perfect fit for smaller decorative applications. The nozzle has smooth laminar streams and allows for over 30 different pattern displays. Each unit includes a multiple-pattern nozzle, dual debris screening, control panel with 5ma GFI protection, and mooring lines.

- Pattern heights up to 8.5 ft in height
- 1/2HP motor, 120 Volt, 6.6-7 running amps
- Cord lengths of 50 ft., 100 ft., 150 ft., and 200 ft. available
- Complete packages are ETL approved to UL and CSA standards
- 2 year warranty

FOUNTAIN LIGHTING

Enjoy your Kasco fountain into the evening hours with our available LED lighting packages. The RGB kits, composite kits and stainless steel kits carry a 2 year warranty. The puck lights carry a 1 year warranty.

3/4HP J Series Linden Nozzle with RGB Lights

RGB LED Color Changing Lights

Choose between 9 colors, 3 rhythmic sequences and the addition of music to hand pick the perfect display.

- Colors include: white, warm white, red, green, blue, orange, yellow, cyan and magenta
- 3 fixture kit works best for 1/2HP -1HP units, 6 fixture kits work best for 2HP-3HP units
- 1-piece composite housing features an ultra sonic weld around the lens to ensure water-tight operation

2HP J Series Mahogany Premium Nozzle with LED Composite Lights

LED Lights in Composite Housings

These lighting systems feature durable composite housings to shine brilliantly into the evening hours.

- Displays classic white and includes red, green, blue and amber lenses
- 3 fixture kits works best for 1/2HP-1HP units, 6 fixture kits work best or 2HP-7.5HP
- 1-piece composite housing features an ultra sonic weld around the lens to ensure water-tight operation

3HP J Series Redwood Nozzle with LED Stainless Steel Lights

LED Lights in Stainless Steel Housings

Featuring a durable, stainless steel enclosure, these lights will ensure an elegant and classic display.

- Displays classic white color and includes red, green, blue and amber lenses
- 3 fixture kit works best for 1/2HP -1HP units, 6 fixture kits work best for 2HP-7.5HP units
- UL / CSA listed

1/2HP xStream Fountain with Puck Lights

LED Puck Lights

This ring of 8 puck lights nest into select fountain model floats and will extend the enjoyment of your fountain.

- Displays classic white color
- Available for 1/2HP and 3/4HP select fountain models
- Durable composite material and assembly process ensures many hours of run time
