	STD28700	\$180.00
	STD28801	\$195.00

## PRODUCT DESCRIPTION

### PRO II HOLE CUTTER

- Simple, economical and ready to cut
- Hot - rolled tubing
- Carbon steel shaft
- Adjustable depth collar
- Foot ejector
- 4-1/4" Diameter

#### TIPS:

Standard Golf recommends inside sharpened cutting blades primarily for sand greens. They pack the sand tighter and hold it more firmly in place.

Trouble disengaging plugs? Spend just a few minutes sanding the inside of the blade with emery paper. You'll be amazed at how much easier it is to unplug.
