Eco Battery

LITHIUM BATTERIES

Give your cart a massive boost in torque and speed with Eco Battery lithium.

Eco Battery

8 YEAR WARRANTY

10X the life span of lead acid batteries. Spend less time replacing batteries, and more time out having fun.

5X LIGHTER

5X lighter than lead acid, 3X smaller footprint, and 2X the run time.

MORE POWER

More power and longer run times. Whatever you need powered, our lithium batteries and proprietary BMS can handle it with ease.

ZERO MAINTENANCE

Never add water again! No more acid spills, smells, or corroded terminals.

BUILD YOUR BATTERY KIT

All Eco Battery models offer a variety of installation kits for specific vehicle makes and models. Just choose the right battery power for your needs and select the appropriate make and model installation kit.

Club Car

(Precedent/DS 97-06 with Clockwise Motor)

All 1997-2014 Precedent/DS/Carry All/Turf/FE290-FE350 with "Clockwise Motor". G-Boost clutch kits give more low end torque and increased backshift/downshift. Severe Duty Belt grips clutches better, lowering clutch heat and increasing clutch efficiency and pulling power, with increased belt life. Brings back what was lost from increased tire size and weight.
