KUJO YARD SHOE

We know working on a golf course is challenging. Every time you put on a piece of Kujo Yardwear, you're saying you want the best. The best in functionality, the best in quality, the best in appearance, and the best in premium yardwear. From their production to your feet, Kujo takes no shortcuts.

★★★★★ Comfort and function.

January 17, 2022 (1 month after purchase) by Kevin
Kujo Yard Shoe | Color: Grey + Green | Size: 11 M / 12.5 W | Holly Springs, NC | **Verified Purchase**

I work on a golf course and walk a lot. These are the most comfortable and practical shoes I have used in my profession because they are waterproof and sturdy. I also have plantar fasciitis and don't need my inserts when wearing my Kujos. I have recommended them to a few people already.

X1 LANDSCAPE BOOT

- Light, non-metallic, asymmetrical composite safety-toes
- Dynamic cushioning, with eva mid-sole and arch-support insoles
- Water-resistant (created to keep feet dry in wet grass)
- Breathable air vents
- Aggressive rubber soles with 6mm lugs, for grip and durability
- Transparent weld overlays – support & protection without weight
- Upper flex window and outsole flex grooves enhance mobility
- Abrasion-resistant upper

★★★★★ Great boots

X1 Landscape Boot | Color: Black | Size: 12 M | New Boston, MI | **Verified Purchase**

I have had these boots since they were first released. They are very comfortable and are still in great shape after a lot of use.
