3. Each time you land the hook, you move the peg 1 slot towards your opponent.
4. A player wins when the peg moves off the end of the peg board.

1. **The T-Off (Easy)** - Follow the standard gameplay instructions as outlined above with using the peg and peg board.
2. **Champions Rules (Medium)** - Use the included tee to mark your progress by advancing along the numbered holes on the base board after each successful hook. The first player to complete all 9 holes is the winner.
